Rechargeable Disposable Device

Flavour Coolness Adjustment

NEO 25K by NASTY is a large capacity rechargeable Nicotine Salt disposable device designed to deliver up to 25,000 puffs of pure flavour satisfaction.

What sets it apart is its 3-level cooling mode, giving you the flexibility to adjust the cooling intensity to suit your preferences. This innovative feature ensures a customisable vaping experience that caters to every tastebud. With the touch of a button, adult users can easily personalise their coolness level for maximum comfort and enjoyment.
